

ABOUT US

Insurance in Myanmar

We know that your family's well-being and future matter most, and that you will do everything to provide them with the best life. So, as you get busy taking care of their future, we are here to take care of yours by financially protecting you in every stage of your life. We, at Manulife, are here to support and guide Myanmar families in achieving a better future with the right insurance and financial advice, because that's worth protecting.

Manulife protecting Myanmar families

Just like the new generation of Myanmar breadwinners, putting family first is our top priority and they are worth protecting. We are on a mission to help Myanmar families in making smart financial decisions that enable you to secure a better life today and tomorrow and that's worth protecting.

Our financial solutions

The ultimate expression of putting family first is to have an insurance plan in place to protect their future. We are here to provide easy-to-understand insurance options that can secure you, your family, your wealth and your future because that's worth protecting.
